Prism Medical Ltd. (PM:TSX-VEN) New Chief Operating Officer Appointment

VAUGHAN, ONTARIO, April 25, 2008

Prism Medical Ltd. (“Prism” or “the Company”) (PM:TSX-VEN) today announced the appointment of Charley Wallace as Chief Operating Officer.

Charley was the founder and builder of ErgoSafe Products LLC, a Missouri based distributor of safe patient handling aids that was acquired by Prism in June 2006. Since then, Charley has held the positions of President of the Waverley Glen Systems division in Canada and President of Prism Medical USA Inc., the master distributor for Prism’s products to the US market.

Prior to founding ErgoSafe, Charley was the Vice President and General Manager of the Invacare Continuing Care Group, leading its growth in annual revenues from \$18 million to over \$85 million.

Andrew McIntyre, Chairman and CEO of Prism stated, “Charley came to Prism with extensive experience in the healthcare manufacturing and distribution business and has already made great contributions in support of Prism’s recent growth in the North American market. We welcome Charley to his new role as Chief Operating Officer, anticipating that he will contribute significantly to future growth and profitability.”

Prism Medical Ltd. is a provider of durable medical equipment and related services to the mobility disadvantaged in Canada, the USA and the United Kingdom. While Prism’s history dates back to 1996, Prism’s subsidiaries and divisions have been servicing the mobility disadvantaged since the mid 1980s in their homes, long-term care facilities and acute care facilities. Prism includes Waverley Glen Systems, North America’s premier ceiling lift manufacturer with distribution across Canada and the US; Patient lifts of New England with distribution across the northeastern USA; Westholme and Care Free Lifting & Handling, leading distributors of moving and handling products in the UK; and Freeway Health Care, a UK-based manufacturer of ceiling hoists and shower chairs.
